

Terms of Use

This website is intended to provide general information about eye health, ophthalmic conditions, and services offered by the practice.

The content is for informational and educational purposes only. It does not constitute medical advice, diagnosis, or treatment. Viewing this website or contacting the clinic through this platform does not establish a doctor–patient relationship.

While reasonable efforts are made to ensure accuracy, medical knowledge evolves continuously, and no guarantee is made regarding completeness or currency of the information provided.

The practice reserves the right to update, modify, or remove website content at any time without notice.

Use of this website implies acceptance of these terms.
