

We respect your privacy and are committed to protecting your personal and medical information.

Any personal information shared through this website, email, telephone, or during clinic visits is collected solely for the purpose of providing medical care, responding to enquiries, scheduling appointments, and maintaining medical records. Information may include your name, contact details, and relevant clinical data.

All medical records are maintained in accordance with applicable laws and professional standards. Personal information is not shared with third parties except where required for medical care, legal compliance, or with your explicit consent.

This website may use basic cookies or analytics tools to understand website usage. These do not collect personally identifiable medical information.

By using this website, you consent to the collection and use of information as outlined above.
